UNIVERSITY**

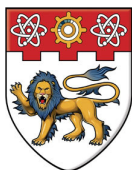

School of Biological Sciences

Directions to School of Biological Sciences

60 Nanyang Drive, Singapore 637551

Tel: +65 6316 2800 Fax: +65 6791 3856

Arriving by MRT train

Take the Mass Rapid Transit (MRT) train and alight at the Boon Lay station. This is the last stop along the East-West line. Then take bus number 179 or 199 at the Boon Lay bus interchange that is just next to the MRT station. Thereafter, refer to the [bus guide](#) above for where you should alight.

Arriving by public bus

1. Take bus number 179 from the Boon Lay bus interchange.
2. Alight at Bus Stop B09 Block N2 (2722A)
3. Walk up the slope (by the road) and you will be able to locate the School of Biological Sciences' building.

For details of the bus routes, please refer to the [TransitLink Bus Guide](#). The bus stop numbers and names are written on the bus stop shelter (if any). The numbers in brackets are written in large text on white signs or very small prints on the bus sign posts.

Arriving by private car

From Nanyang Drive side (School front entrance)

1. Enter NTU campus at Second Entrance via PIE (instead of via Jalan Bahar)
2. Look for Nanyang Drive
3. The School of Biological Sciences building is just next to Research Technoplaza
4. If you are driving, park at School basement car park (car park charges applies)

From NTU North Spine side (School rear entrance)

1. Enter NTU campus at Main Entrance via Jalan Bahar
2. Look for NTU Administration Building and Nanyang Auditorium
3. The School of Biological Sciences building is just next to Nanyang Auditorium
4. Take the walkway that connects the School of Biological Sciences building with the NTU North Spine
5. If you are driving, park at Car Park A (North Spine) (car park charges applies)
